Hi again,

Okay, I've reviewed your form and made some edits to it. Just so you can keep track of what it looks like now, I've attached a pdf file.

Hi there,

Thanks so much for completing your new entrant financial disclosure report! Let me first tell you that you do not need to report the amount of your spouse's salary, so I deleted that for you. I have two questions for you about your report, and then a comment about your draft recusal statement. I think you can answer all of my questions by reply email, so I have not actually returned the report to you. Instead, I still have it to make changes for you. Here are my questions about the report:

Nonresponsive Discussion of Personal Matters / Ex. 6

Nonresponsive Discussion of Personal Matters / Ex. 6 As we discussed before you started at EPA, we've also included a voluntary recusal for the formaldehyde IRIS as a prudential matter. You will need to insert the name of a person who will help with your recusals (what we call a screener or gatekeeper), then print out the final version on ORD letterhead, sign and date it, and distribute it with a pdf copy to OGC/Ethics. If you have any questions about your recusal, then you can contact Shannon at 564 7061 or me at 564 1786.

Thanks!

Justina
